

## Mary Kay® Oil-Free Eye Makeup Remover

3.75 fl. oz. Price \$15.00

Gently removes all type of eye makeup, without leaving skin feeling greasy.

"The skin around the eyes has fewer sebaceous glands and less collagen and elastin than skin elsewhere on the face. And, as people age, the fat pad beneath the dermis diminishes, causing the skin to appear even thinner and the hollowed out appearance under the eyes. These unique characteristics of eye area skin require a little extra attention."

Be sure to shake the bottle well to mix the two phases of the product.

*Take the day off!*

*Suitable for contact lens wearers, as well as people with sensitive skin and sensitive eyes!*

The top phase removes waterproof eye makeup, and the bottom phase removes non-waterproof eye makeup. Shake well for maximum effectiveness.

This unique, two-phase product gently removes even waterproof eye makeup without rubbing, pulling or tugging.
